

Draw a Toucan

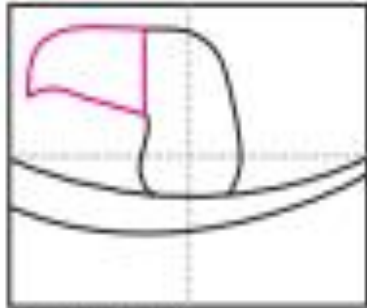

1. Draw a simple sketch.

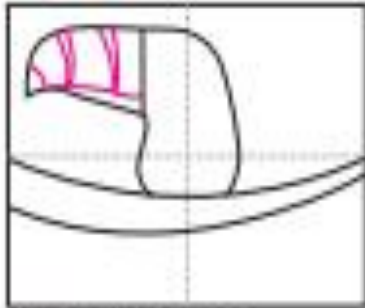

2. Draw one side of the body.

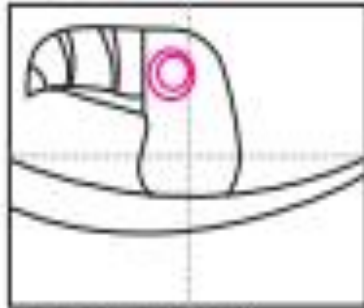

3. Draw the other side, with opening for feet.

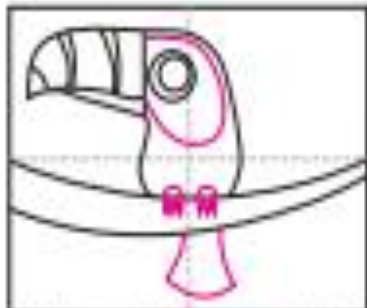

4. Add a large beak.

5. Add the beak details shown.

6. Draw two circles for the eye.

7. Add line around the eye, wing and tail.

8. Fill the background with branches, leaves.

9. Trace with a marker and color.

Fun and easy Art task

This is a step by step observational task to achieve the perfect sketch of a toucan bird.

When you have finished drawing the toucan you can colour it in.

Research what type of bird a toucan is and what type of environment it lives in (habitat).
