

The Beeches Primary School

**One School, One World, United.**

In a school of caring hearts, we start,

Excellence in every piece of art.

Collaboration fills the air, we share,

Sustainability, a pledge we declare.

Articulate minds, thoughts unwind,

Creative spirits, forever entwined.

Resilience in every trial we face,

Reflection, guiding us to grace.

Curiosity, a flame that does ignite,

In this school, we reach new height.

A place where dreams take flight,

In this haven of learning, so bright.

**One School, One World, United**
