WELCOME TO SCHOOL LUNCHES

Fantastic Food

Freshly prepared innovative, healthy, nutritious, seasonal, local and ethically sourced food.

The Food for Life standard menu that we produce on site is specifically adapted to meet the needs of your School. Using our experience, and by working closely with the school prior to each termly menu revision, we will adapt, evolve with trends and be flexible in our approach to ensure that you have the desired menu. However, if children have identified any dishes that are not popular then we can and do make changes from time to time.

The menus will offer popular recognised traditional dishes both meat and vegetarian, jacket potatoes with a choice of toppings, or a packed lunch option. For dessert we have delicious home-baked puddings with a healthier option of fresh fruit always available.

Wonderful People

Our team are extremely proud of the food they prepare and serve, they enjoy working with pupils and interacting with them to make lunchtimes fun.

Great Dining Experience

It is not just the food that is important, it is the whole meal experience. Dining with friends, enjoying familiar foods, having fun and enhancing the learning experience. This will be served in the safest possible environment that we have set up, working alongside the school's approach to a safe and enjoyable school day.

Special Days

Linked to annual events, the school curriculum, food festivals and interactive learning. Our specialty themed menus add excitement to the school day.

Universal Infant Free School Meals

School meals are free for every pupil in Reception and Key Stage 1. The perfect opportunity for your child to enjoy dining with friends at no cost or inconvenience to you.

We look forward to seeing you soon.

Hot Meals

Grow, your school caterer, are a supportive and nurturing community using nutritious ingredients to fuel young minds encouraging children to flourish.

Our aim is to ensure all children have a hot and nutritious meal every day. This helps with learning development and to become more alert!

It is critical that healthy eating habits are established from an early age and having a healthy meal will help establish these patterns.

The provision of a healthy school meal has proven benefits in relation to uptake, family budgets, educational attainment and addressing inequality.

For more information or to book a school meal for your child contact reception.
