FOREST SCHOOL CLUB MAY-JULY 2017

There will be a new after-school club called the 'Forest School' taking place from Thursday 4th May to Thursday 13th July 2017 from 3.15pm to 4.15pm. This club is Free of Charge.

The Forest School Aims are to:

- Engage children of all ages, abilities, culture and genders, finding special places and special things to do in the woods.
- Allows children to **succeed** at something, and learn new ways of co-operating and communicating.
- It's about experience and making a big difference to the lives of children with low self-esteem and lack of confidence.

During their time in Forest School your child will make dens, learn to tie knots, be creative with their art, enjoy a camp fire, and begin to build confidence in using tools. It's an exciting opportunity that they will enjoy and learn so much from.

To ensure your child is prepared to join in this club and achieve their best we ask that you provide them with waterproof clothing, a hat and wellies or trainers in case they get muddy.

Please complete the form below if you would like your child to attend the Forest School and return.

We look forward to your child joining us.
