Dear Parent / Carer

I'm sure that all parents and carers at our school want their children to grow up in a safe and happy environment. The staff and governors at the school work hard to make sure that this is what happens while the children are playing and learning here and when out and about in Peterborough.

We are working with our neighbours in Gladstone Connect to improve the area outside our school fence. This area is unfortunately subject to anti-social behaviour, particularly after hours and during dark nights. Staff at the Beeches Pre School, Gladstone Connect and our own Site Officer frequently have to clear up the footpath down to the school gate, the car parks and road to ensure they are safe for parents and children to walk down on their way to school.

We are campaigning for Peterborough City Council to prevent this behaviour by installing a gate to restrict access to their area. We ask you to please sign the petition to support this important cause which is on the back of this letter and return it to your child's teacher. In order to comply with GDPR please ensure your response is returned to us in a sealed envelope or folded and placed in a sealed box outside the school office.

Yours sincerely

T P Smith
Headteacher
