Feedback from people who use our Community Centre

"Thank you for your on-going support this year. We appreciate you housing our Toddler Group and reducing the rental for the room because of our on-going problems with numbers."

Peterborough and District Deaf Children's Society (April 2019)

"We wouldn't get facilities like this anywhere else. Without the Family Voice community centre we couldn't operate."

Family Voice Peterborough

Community Hall

Registered Charity No. 1171389

Who we are ?

Family Voice Peterborough is a local charity that works with parent-carers of children with special educational needs and/or disabilities from 0-25. We are the designated parent-carer forum and work across education, health and social care. Our aim is to ensure that parent-carers voices are represented and work collaboratively with partners to improve services and provision for those with SEND.

What we do ?

We use our community centre in Orton Goldhay, Peterborough to put on events for the local community. Children are invited to come along and enjoy themselves, whilst the parent carers can seek advice from the Family Voice team and professionals. We also run workshops to educate, inform and provide advice.

We also hire the community hall out to the public.
