

# Year 4 Curriculum – Half-term 1

## English

In English, we will be writing a persuasive speech. Can you research famous speeches? What was said? Why was it important?

## Maths

### TIMES TABLES!!!!

The timetables assessment and much of our work will be preparing the children for this. Please practice up to 12x12 as much as possible at home!

## PE & School Sport

Please remember that we do PE every Wednesday and Friday (unless we are swimming.) The children should arrive in PE kit.

Swimming will take place for 4 weeks. More information to follow.

## Reading

In Reading, we will be reading a wide range of texts including fiction, non-fiction and poetry. We will be using our pre-reading skills to understand the text better.

Ask your child what the symbols mean below?

## This half-term

<b>Science</b>	In science, we will explore the following questions: How are sounds made through vibration? How do vibrations from sound reach the ear? Is there a relationship between pitch and sound? Does the strength of vibration increase volume? Do sounds become fainter as distance increases?
<b>PHSE</b>	We are learning about families and people who care for us. We want the children to understand that stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up.
<b>Humanities</b>	We will be exploring Rome and Germany through many different ways. We will be looking at Christianity in religious studies.

### Creative Homework

Create a Roman Shield or complete some research ahead of our learning.
