

Year 2 Curriculum – Half-term 1

English

In our English lessons this half term we are reading the book, 'Winnie at the Seaside,' which links well with our Beachcombers topic. Winnie, the main character from the story, will be helping us to bring to life our own story of a visit to the seaside!

Maths

Numbers to 100

This term we will concentrate on various aspects of numbers to 100. Pupils will be able to count to 100 through different steps, including counting up in tens. Place value will have a major role throughout the chapter. Pupils will also look at comparing numbers using their place-value knowledge and they will be ensuring their number bonds are secure.

PE & School Sport

Please remember that we do PE every Friday. The children should arrive in PE kit. 2SB have Forest school on Tuesdays.

Reading

In Reading, we will be reading a wide range of texts including fiction, non-fiction and poetry. We will be using our pre-reading skills to help us unlock the text.

Ask your child what the symbols mean below?

Creative Homework

Create a poem, some art or a construction to tell us about what you got up to over the summer holiday.

You could even make a song, perform a dance or make a speech!

Also this half-term

Science	In Science, we will be learning about living things and their habitats
History	
Geography	We will learn how we can use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key.
Religious Education	This half term we will learn about Buddhism – we will learn about important buildings, sites and holidays to Buddhists.
Music	In Music this half term we will perform using our voices and use a variety of songs with greater accuracy of pitch.
Computing	In Computing we will learn how to programme an animation to react to pressed keys.
PSHE	We will be learning about how important friendships are in making us feel happy and secure, and how people choose and make friends.
