

Reception Curriculum - Autumn 1

Me & My Community

English

In English we are learning the sounds that letters make and beginning to learn how to blend to help us read words. We are playing games to match sounds to objects and trying to sound out words on our own too.

We are beginning to learn how to write letters and practising writing our own names.

Maths

In maths, we are finding out about repeating patterns. We will be describing patterns, continuing patterns and making our own patterns using different resources.

We will learn about the same and different and sort objects using these words too.

We will also be learning about numbers to 5 and beyond.

PE & School Sport

Please remember that we do PE every Tuesday & Wednesday.

The children should arrive in PE kit.

Phonics & Reading

Our school uses the Little Wandle Phonics Scheme. There is a link at the top of our webpage to the Little Wandle Parent Page.

Look out for the weekly wandle on the website – that shows you what graphemes and words we are working on each week.

Remember please read everyday and sign the green journal.

A new Little Wandle book will be sent home each week on Thurs/Fri

Library books changed Tues and Fri

Me & My Community

Also this half-term

In the Me and My Community project, your child will learn about the school community and building friendships. They will explore the school grounds and find out about all the people in school who are there to help them. They will explore how they are special and unique and how everyone's family is different. They will take part in practical activities to support them to build new friendships and explore what makes a good friend. They will also find out about people in the community who help us, including doctors, nurses, and the emergency services.

Supporting your child at home

- Look at family photographs together and discuss who is part of your family and extended family.
- Look at baby photographs and talk about how they have grown.
- Look at any childhood photographs of parents and grandparents.
- Talk about the things you like to do together and places you like to go.

Share these things on Tapestry

Creative Homework

Can you draw a picture of your family? Who is in your family?

Can you draw a picture or make a model of somewhere you like to go with your family?

This could be The Mosque, the shops, the park, the beach, the swimming pool, the library etc.
