

Reception Curriculum - Autumn 1

Me & My Community

English

In English we are learning the sounds that letters make and are beginning to learn how to blend to help us read words. We are playing games to match sounds to objects and trying to sound out words on our own too.

We are beginning to learn how to write letters and practicing writing our own names.

Maths

In Maths we are finding out about repeating patterns. We will be describing patterns, continuing patterns and making our own patterns using different resources.

We will learn about the same and different and sort objects using these words too.

We will also be learning about numbers to 5 and beyond.

PE & School Sport

Please remember that we do PE every **Monday and Friday**. Children should arrive in PE kit. No earrings please.

Phonics & Reading

Our school uses the Little Wandle Phonics Scheme. There is a link to the Little Wandle webpage on our school website – look out for updates on what phonemes we are learning weekly on our school social media.

Remember please read regularly and sign the green journal.

A new Little Wandle book will be sent home on a Thurs or Fri.

Library books are changed on a Tues or Friday.

Me & My Community

Also this half term

In Me and My Community, your child will learn about the school community and building friendships. They will explore the school grounds and find out all about the people in school who are there to help them. They will explore how they are special and unique and how everyone's family is different. They will take part in practical activities to support them to build new friendships and explore what makes a good friend. They will also find out about people in the community who help us, including doctors, nurses and the emergency services.

Supporting your child at home

- Look at family photographs and discuss who is part of your family and extended family.
- Look at baby photographs and talk about how they have grown.
- Talk about the things you like to do together and places you like to visit together.

Creative Homework

Can you draw a picture of your family? Who is in your family?

Can you draw a picture or make a model of somewhere you like to go with your family?

This could be the Mosque, the shops, the park, the beach, the swimming pool, the library etc
