

# Year 5 Curriculum – Half-term 1

## English

In English, we will be creating a persuasive letter and a non-chronological report about the life of Galileo Galilei as part of our space topic.

Your child will also be given spellings every week.

Please help them practice as much as possible.

## Maths

In maths, we will be learning about place value, all the way up to the millions!

Try to encourage your child to continue to play on times tables rock stars, as the knowledge and speed will really help them with their maths, and they did so amazingly in the year 4 tests! It would be a shame to lose the fluency.

## PE & School Sport

Please remember that we do PE every week.

5RH & 5DS Tuesday

5SB Friday

The children should arrive in their new PE kit.

The PE kit will include shorts or tracksuit bottoms that have no logos or designs. Black trainers or plimsoll.

This half term we will be practising hockey skills and doing fitness circuits.

## Reading

In Reading, we will be reading a wide range of texts including fiction, non-fiction and poetry, many aspects will be focused on our space topic. We will be using our pre-reading skills to understand the text better.

## Also this half-term

<b>Science</b>	We will be looking at the moon cycles and the planets in our solar system. We will look at how night and day is created and the different time zones.
<b>History</b>	In history we will be finding out about Arabia and early Islam.
<b>Geography</b>	In geography we take a look at Earthquakes.
<b>Religious Education</b>	We will begin to explore the message of Jesus spreads.
<b>Music</b>	In music we will be creating our own piece of music about a planet.

## Creative Homework

Can you create a drawing or model of our solar system?
